The field of early care and education has become increasingly diverse making the ability to collaborate effectively with families and children essential to providing quality services. Child care professionals will have the opportunity to explore how one's culture influences routines, caregiving style, parenting choices, and professional responses to challenging situations.

Kansas and Missouri Core Competencies*: Content Area IV: Families and Communities, Communicating with Families, Level 1 a, b & Content Area VIII: Professional Development and Leadership, Displaying Cultural Awareness and Respect, Level 1 a, b & Level 2 a*

- All sessions count towards Department of Health and Senior Services annual training requirements. Certificates will be handed out before you leave. The Departments of Social Services and Health and Senior Services require that participants attend the entire training in order to receive a certificate. Therefore, instructors and/or staff who are instructing or facilitating clock hour sessions hosted by Child Care Aware® of Missouri's regional agencies may withhold a participant's clock hour certificate. Potential reasons for withholding a certificate include but are not limited to: a participant arriving late, leaving early, leaving the room for extensive time periods, text messaging, sleeping, being disruptive during the workshop, and/or not paying registration fee(s) in full prior to the workshop's starting time. Providers who wish to express concern regarding this policy may contact Child Care Aware® of Missouri's Director of Training and Inclusion at 314-754-1603.

- Children, although wonderful, should please remain at home. They are not permitted at any training and may not wait unattended in any other part of the building or on the premises.

- **Please remember, we cannot take reservations over the phone.** You can register for this event by going to www.moworkshopcalendar.org or you can complete the registration form and mail it to our office. You will be notified only if the training is full.

- Refunds available if we receive at least 48 hour's notice that you will be unable to attend the training.

Training supported by the Children's Trust Fund and the Administration of Children, Youth and Families.
